FLEXSTEEL®

Tailored Elegance

Simplicity and refinement take center stage with the Finley collection of stationary seating. This suite of furnishings, including sofa, loveseat, chair, ottoman and sectional, has a distinctive profile with sloped, tapered track arms lined with an attractive buried welt. Attached back cushions and reversible seat cushions keep the sofa looking neat and tidy, while our patented C-Flex Spring technology ensures a firm yet flexible sit. Available in three wood finishes for the sleek, tapered legs, and hundreds of fabric options to suit your style.

DESIGNED FROM THE INSIDE OUT

For over 100 years Blue Steel Spring has differentiated Flexsteel products. Its strength and resilience creates a “just right” balance of softness, support and quality. So whether you’ve got big people or little people, wild jumpers or careless ploppers—not to worry—the Blue Steel Spring has got your back.
