FLEXSTEEL®

High End and Highly Comfortable

To create a living space outfitted with ergonomic seating that has a luxurious look, choose from our extensive Arlo reclining collection. With recliners, loveseats, sofas and sectionals available—and options for manual or power adjustments and rocking, gliding and swiveling features—you can find furniture that perfectly meets your needs for both support and style. The collection’s refined aesthetic is defined by rounded pad-over track arms that cushion your forearms. Pull-tufted, triple-divide back cushions have a distinctive look and cradle your head, neck and lower back. Control the recline using a smooth handle release or power control. And enjoy years of comfort thanks to our patented DualFlex Spring System™ that provides flexibility and firmness. Available in high-performance fabrics, premium top-grain leather or leather match options, Arlo will hold up in even the busiest living spaces.

DESIGNED FROM THE INSIDE OUT

For over 100 years Blue Steel Spring has differentiated Flexsteel products. Its strength and resilience creates a “just right” balance of softness, support and quality. So whether you’ve got big people or little people, wild jumpers or careless ploppers—not to worry—the Blue Steel Spring has got your back.
