FLEXSTEEL®

## Plush, Deep Seating and a Wealth of Cushioning

Bryant offers modern, clean lines that are contrasted by its softly padded arms and boxed seat cushions. Cushion ledge construction keeps the back cushions from sliding behind the seat cushion. The arms and seat cushions are detailed with single-needle top stitching. Bold block legs add a solid finish to this design.

## DESIGNED FROM THE INSIDE OUT

For over 100 years the Blue Steel Spring™ has differentiated Flexsteel products. Its strength and resilience creates a “just right” balance of softness, support and quality. So whether you’ve got big people or little people, wild jumpers or careless ploppers—not to worry—the Blue Steel Spring has got your back.
