FLEXSTEEL®

Premium Design Meets High-Performance

Get the look of high-end stationary seating and the performance of ergonomic innovation with the Jarvis power reclining collection. This suite of furniture includes a recliner, loveseat, loveseat with storage console, sofa and sectional. This collection of luxury home furnishings offers top-of-the line ergonomic features, including our Zero Gravity recline technology which gives you a feeling of weightlessness as you recline. Find the perfect angle for relaxation with a power control that independently adjusts the headrest and recline and enjoy an expansive range of motion thanks to our patented DualFlex Spring System. The Jarvis collection is designed to enhance the elegance of your home with clean lines, sleek pad-over arms and decorative cross-stitching.

DESIGNED FROM THE INSIDE OUT

For over 100 years, the Blue Steel Spring™ has differentiated Flexsteel products. Its strength and resilience creates a "just right" balance of softness, support and quality. So whether you've got big people or little people, wild jumpers or careless ploppers—not to worry—the Blue Steel Spring has got your back.
