FLEXSTEEL®

Ultimate Comfort, Ultimate Versatility.

Timeless comfort meets enduring craftsmanship in the Bernard Collection. Designed with traditional roll arms and classic tailoring, each piece offers modern comfort through power recline, headrest, and lumbar support. Thoughtful design and timeless elegance make Bernard a natural centerpiece for any classic living space. Experience true relaxation with Zero Gravity positioning that reduces the forces of gravity on your body, improving circulation and relieving pressure from your spine. Available in fabric or rich leather with heavy-thread stitching and optional nailhead trim, Bernard blends heritage style with today's technology for a seat that feels like home.
